

CAPABILITY STATEMENT

SmartChoice

MULTI SERVICES LLC

Service-Disabled Veteran-Owned Small Business (SDVOSB)

Core Competencies

- **Management & Administrative Consulting** – Program and operations support, process improvement, office administrative services, and general business support for federal, state, and commercial clients (primary NAICS 541611).
- **Cyber Threat Intelligence & IT Services** – Threat actor research and TTP analysis (MITRE ATT&CK), intelligence reports and executive briefings, link/network analysis, custom programming, systems design, and computer facilities management.
- **Aviation & Ground Support Equipment Maintenance** – Aircraft and ground support equipment maintenance, troubleshooting, inspections, powertrain and rotor-system repair, safety compliance, and technical documentation.
- **Facilities Support, Logistics & Transportation** – Facilities support, janitorial, warehousing and storage, courier and local delivery, and special-needs transportation.
- **Supply & Distribution** – Merchant wholesale of medical, dental and hospital equipment; electronics and computer equipment; office equipment; furnishings; and grocery products.
- **Professional Services** – Graphic design, translation and interpretation, accounting support, and temporary help services.

Differentiators

- **Certified SDVOSB/VOSB** – SBA-certified and eligible for set-aside and sole-source veteran contracting.
- **Mission-Ready Leadership** – Over 20 years of aviation maintenance, supervision, and quality-control experience, including deployed support at Kandahar Airfield, Afghanistan.
- **Technical + Intelligence Depth** – Combines hands-on engineering and maintenance expertise with Intelligence Community cyber analysis.
- **Multi-Service Agility** – One responsive, DMV-based small business covering consulting, IT, logistics, and supply needs.

Past Performance & Principal Experience

- **Cyber Analyst** — *Prescient Edge / Defense Intelligence Agency* (Mar 2026–Present). Intelligence-driven threat assessments using GTI, Microsoft Sentinel, Splunk, and open-source intelligence; threat actor profiling; executive-level briefings.
- **Technical Cyber Threat Analyst** — *Skye Tech Solutions / National Geospatial-Intelligence Agency* (Feb 2023–Feb 2026). Cyber threat intelligence using Mandiant Advantage and Recorded Future; link analysis; structured analytic products for leadership and mission stakeholders.
- **Aircraft Powertrain Repairer & Shop Supervisor** — *U.S. military aviation maintenance* (2017–2023). Repair and inspection of powertrain and rotor systems including NDI; supervised and trained junior mechanics; quality and production control.
- **Aircraft Handler** — *KBR-UK, Kandahar Airfield, Afghanistan* (2013). Transient aircraft services for fixed- and rotary-wing aircraft, ground support equipment maintenance.
- **Aircraft Technician / Safety Officer** — *Kenya Airways; Kenya Air Force* (2003–2015). Engine and airframe maintenance, inspections, and safety compliance; supervision of technical staff.

Company Data
